### **REASONS FOR ALLOWANCE**

1. Claims 11-21 and 23-27 are allowed.
2. The following is an examiner's statement of reasons for allowance:

Claims 11 and 13 are allowed for the reasons of record in the Office Action mailed 1/20/2004 (paragraph 21). Claims 12 and 14 are allowed for substantially the reasons of record in the Office Action mailed 7/14/2004 (paragraph 15). Claims 15-16 and 18 are allowed substantially for the reasons of record in the Office Action mailed 8/29/2003 (paragraph 15). Upon further consideration, the Examiner has determined that claim 17 is not supported by the provisional application 60/081492. However, claim 17 is allowed because neither Tang nor the other prior art, alone or in combination, fairly teaches or suggests the provision of a masking means between the first and second layers and transferring the dopant from the first layer to the second layer in the context of claim 15 (that is, where the first and second layer are disposed on a first electrode on a substrate, and a second electrode is deposited over the second layer). Claims 19-21 and 23-27 for substantially the reasons given in the Office Action mailed 8/29/2003 (p. 10, first full paragraph), 1/20/2004 (on p. 12), and 7/14/2004 (paragraph 13). The Examiner further notes that, upon further consideration, claims 19-21 and 24-25 are fairly supported in provisional application 60/081492 on p. 19 of the document as scanned in PACR.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
